High Performance Rugby Camp

Date	3 – 15 July 2017
Who should attend?	The programme will prepare players of 16 years plus for rugby at an advanced level. It build a solid foundation for these players that will better prepare them for the new season and future. In the process they experience the SA rugby culture and beautiful country - gain international contacts and friends.
	Aspiring coaches and game analysts are also welcome. Your programme runs alongside the players' programme. You will interact with our coaches and the players, applying learned skills, taking part in discussions and asking questions. You will also focus on the areas of coaching you wish to develop further.
	Very intensive . build up to match at the end
Aims	We believe success in life is determined by character (90%) and competence (10%). If you want to be a well-rounded player or coach, you should first and foremost be a well rounded man. Therefore we want to train the whole person: physically, academically and spiritually. Therefore SRA helps to equip and support students in a professional manner to be:
Body	Quality rugby players with the necessary physical, technical / tactical skills to achieve their full potential as players, with a healthy lifestyle
Mind	Successful and innovative rugby coaches, referees or analysts who are ready for the challenges of life
Soul	Balanced young men with mental toughness and solid values, who can confidently make independent decisions in the adult world
